**REGISTRATION NO: 62/2002**

**1-9-285/9, Vidya Nagar, Hyderabad – 500 044**

**Report of the activities conducted during the year 2010-11**

**About us:**

Sri Pingali Venkaiah Charitable Trust is a registered under Public Societies Act 1860 in 2002, register No.62/2002. The organization formed with the cooperation dedicated social workers and enthusiastic minded group with a view the help the helpless rural and urban community through various developmental activities. The birth of Turst is a response indeed and emotional response to the problem of ignorance, ill health, malnutrition and inadequate medical and educational facilities that were widely prevalent in all backward rural and urban areas of Ranga Reddy district of Andhra Pradesh. Hence the trust formed with no profit motive and dedicated to solve identify problems the following are the activities took up by our trust 2010-2011.

**Vision:**

To develop and empower Indian women to equally shred the responsibilities and fruits of development by the year 2025.

**Mission:**

To act as a catalyst for rural development and empowerment of women so that they may be able to play their role in the development of the country.

**Major Activities:**

Organization awareness camps of HIV/AIDs Medical camps

Organizing environment awareness camps, women empowerment training programme.

Vocational/skill development training and organization food processing training

Distribution of school uniforms /educational support to poor students.

Running of old age home, conducting of cultural activities programme.

- 1. Poor Children Welfare Programme:** Under the head of the activity we have provided shelter to street children. We have provided shelter to street children. We have stepped out and extended our services for the welfare of street children providing health care, nutrition, counseling for their rehabilitation and change their way of life by utilizing the shelter which was provided by our organization our streets educators go round the selected areas where child workers and destitute children are in plenty. We are mostly covering the surrounding places in Ranga Reddy district.
- 2. Educational support to Poor Students:** Under this activity we have conducted educational programme for dropout children and child labour children. Because mainly majority of the people in this district belong to poor because of education and financial backwardness. Our trust has been inaugurated this programme is established for education only. Mainly because of poor people in damacherla village of Ranga Reddy district use to send their children for child labour.
- 3. Medical Camps:** we organized medical camps to improve the health condition of women and child in rural and urban areas. During survey we identified the problems of malnutrition among the children. We commit ourselves to concentrate on mother and children care during camps. Doctors were invited by us examined the patients and given their suggestions to improve their health conditions at the health camps were organized. We propagate the importance of balanced nutrition diet for good health of mother and child and women during pregnancy.
- 4. Environmental Awareness Programme:** the organization has conducted environmental awareness activities in its target village of Medak Rural mandal villages "keep our environmental clean and green" is the main objective of this programme. This was conducted in remote village of our

target area where there is no drainage system. We organize door to door campaign and motivate the people regarding the conservation of natural resources. We distributed pamphlets and pasted wall posters on the wall which containing the information in this relaxation. We educate the rural population about the importance of protecting the environment and prevention of pollution for better future of coming generations. We also are conducting the plantation programme with the assistance of school children in surrounding of house holders and premises of their schools.

5. **Legal Awareness programme:** Under this programme we have created awareness programme in Legal awareness programme. We have created awareness on civil and criminal disputes, land disputes, family and matrimonial disputes. Domestic violence act. Consumer disputes etc. in coordination with district legal services authorities.
6. **Food Processing Training Programme:** Under this activity we have given training in Food Processing. We have conducted survey in food products and according to that we have formed into self help groups and given training in Food processing for Youth and Women, nearly 5 Youth were benefited in this programme.
7. **Vocational training:** In this activity we are conducting training programme for women in soft toys and leather bags training, Vermi compost training for rural women. This year we are conducting 3 training programmes.
