Running of old age home, conducting of cultural activities programme.

1 Cultural Activities: Under the head of this programme we have conducted cultural programme according to the tradition of Telangana region, Bathakamma, Bonalu etc. are the traditions of Telangana region. Mostly because of backwardness of this area in good olden days people use to fallow this tradition to create health awareness. This cultural is useful for health awareness Telangana folk uggukuthulu etc. are also useful for this type of cultural activities.

2. HIV/AIDS Awareness Programme: under this activity we have conducting awareness programme on HIV/AIDs/STD., and conducted for awareness camps in 5 different villages organized by the concerned village, Mahila mandals and community organization. About 260 women and girls were participated in this programe. Such type of awareness camps will be continuing during the coming years and certain other methods of awareness camps will also be considered with the experts of the government departments and APSACS and the NGO's.

3. Poor Children Welfare Programme: Under the head of the activity we have provided shelter to street children. We have provided shelter to street children. We have stepped out and extended our services for the welfare of street children providing health care, nutrition, counseling for their rehabilitation and change their way of life by utilizing the shelter which was provided by our organization our streets educators go round the selected areas were child workers and destitute children are in plenty. We are mostly covering the surrounding places in Ranga Reddy district.

4. Food Processing Training Programme: Under this activity we have given training in Food Processing. We have conducted survey in food products and according to that we have formed into self help groups and given training in Food processing for Youth and Women, nearly 5 Youth were benefited in this programme.

5. Old Age Home: Under this programme we are running old age home at Isnapur Village of Medak district with 40 members above 60 years. We are giving food and shelter, and health facilities. Our Trust started an old age home for who are negated by society and children's. In past days old age persons are giving good respect and take receive their good experiences. In old age they are losing energy and memory power. In present generation children's are negated their parents and leave them alone. In this situation our Trust identified the old age people and joined our home. Our home provided nutrition, food shelter, medicines, family counseling and nurse service.

6. Educational support to Poor Students: Under this activity we have conducted educational programme for dropout children and child labour children. Because mainly majority of the people in this district belong to poor because of education and financial backwardness. Our trust has been inaugurated this programme is established for education only. Mainly because of poor people in damacherla village of Ranga Reddy district use to sent their children for child labour.

7. Distribution of School Uniforms: Under this activity Our Trust has been distributed school uniforms about 80 students for poor students our working of Ranga Reddy district.
